St Ives v Wellington

Saturday 3rd December 2016

KO 2:30 p.m.

at

St Ives Recreation Ground

We bid you all a very warm welcome to this fixture, the longest one that Wellington will make for the season in the Western Counties West League. We hope that their players, spectators and officials will find the *jewel* in the West to be a delight, notwithstanding that the real '*raison d'être*' is the *dual* in the West.

St Ives fields a strong side today as they chase hard on the heels of those above them. Four of the top five sides play each other today, so points are going to be dropped somewhere in the mix. With 21 points from the last five matches, St Ives has the best form in the league. Tom Nicholas, Archie MacKay and Sean Stevens all return, which allows head coach, Paul Thirlby, to watch proceedings.

Enthusiasts may wish to look at the programme (available on the website) for this match two seasons past, when The Hakes managed a 26:20 win. What a different set of names on the team sheet!

Wellington has held a place in this league since being champions of Cornwall & Devon in 2009-10. They must be the only club from Somerset to achieve this. The following year they finished 3rd, their highest ever league status.

Our referee for today is Fergus Connolly. We wish him every success in playing his part to make it an afternoon of enjoyable rugby. Please join us in the clubhouse after the match for a beverage, hot or cold!
